

Bulletin July 25, 2021. The Seventeen Sunday in Ordinary Time

Jesus took the loaves & fish, gave thanks, and distributed them...

John 6:9.11

Jesus, moved with compassion, not only stops and connects with people and teaches them, but he then feeds them when they are hungry. By this encounter Jesus nurtures the crowd of people spiritually and physically. He was counting on rest for himself and his disciples but instead adapts to the needs of his community.

How many times have we had to change our plans to help another? As disciples of Jesus, this selflessness happens to us all the time. May God's grace, so abundant in our lives, move us to respond to others with love and compassion.

Jesus sent his disciples two by two to reach out to others who may not know about a loving God. Sister Gail offers a training that will enable us to do the same. The organized adventure will ensure that we contact households in the area that have been a part of our past and hopefully, a part of our future. Please contact S. Gail to participate in this outreach

THE AUCTION! WHAT FUN!

THANKS TO ALL
