

CELEBRATION OF THE ANOINTING OF THE SICK.

Following the homily, all are invited to be prayed for individually by prayer teams. The presider offers anointing. This sacrament provides spiritual, psychological and emotional healing and health of mind and body. Come and celebrate this sign of God's great merciful and healing love.

Comfort and Healing

In Mark 6:12-13, St. Mark tells the apostles, to "anoint with oil many sick people and heal them. In James 5:14-15, St. James asks, "Is any one among you sick? Then call in the priest and the faith community and have them pray over those who are sick and anoint them with oil in the name of Christ. And this prayer of faith will save the frail and raise them up."

The Oil of the Sick is blessed by the bishop at the cathedral on Holy Thursday morning. It is pure olive oil. The characteristic of olive oil is the healing and strengthening effect it possesses.

When we are apprehensive, God offers us this sacrament to quiet anxiety and dissipate fear.

We are blessed with the peace of mind and confidence in God this sacrament bestows.

Following the homily, all are invited to be prayed for individually by prayer teams. The presider offers anointing. This sacrament provides spiritual, psychological and emotional healing and health of mind and body.

The essence of the sacrament is in the anointing of the person on the forehead and hands as the following prayer is prayed: "Through this holy anointing may our loving God, who frees you from sin, save you and raise you up." We respond, "Amen."

Come celebrate this sign of God's great merciful and healing love for us.

– *Wisdom 11:22*

The Thessalonians endured persecution and struggled in hope. St. Paul reminded the community that God's loving presence sustains everyone in the here and now and in the midst of affliction. We benefit from the same reminder in our day-to-day commitment to build a vibrant and animated Holy Trinity faith community, where God's Word is alive and dynamic.

Paul is confident that God protects and strengthens the community of Thessalonica. Let us have this same confidence that God provides encouragement and strengthens all of us in loving deeds and words.

Our mission statement directs us to support each other as we share the Good News of Jesus with all. We rely on God to strengthen our Holy Trinity faith community so that God's love and Christ's steadfastness are shared with all we meet.

PRAYER FOR VETERANS' DAY

We ask for blessings on all who have served their country in the armed forces. We ask for healing for veterans who have been wounded, in any way. We pray especially for the men and women, who are coming home with injured bodies and traumatized spirits. Bring solace to them, O God; we pray for them when they cannot pray. We ask for an end to war and the dawning of a new era of peace honoring all veterans of war.

Divine Healer, enfold all war veterans in your peace. Give your peace to the regions where veterans have struggled for a peaceful world. Bless all those who served in non-combative posts. May their calling to service continue in their lives.

Give us the creative vision to see a world which affirms the life of every human being.

Hear our prayer, O Prince of Peace.

SEASON OF

Thanksgiving

*The beauty of the trees,
the softness of the air,
the fragrance of the grass,
speak to me.
The summit of the mountain,
the thunder of the sky,
the rhythm of the sea,
speak to me
The faintness of the stars,
the freshness of the morning,
the dew drop on the flower,
speak to me.
The strength of fire,
the taste of salmon,
the trail of the sun,
And the life that never goes away,
speak to me.
And my heart soars.*

God loves creation and daily recreates and restores it through the Christ and the Spirit. This awareness brings hope to Christians and leads them to a deepening of prayer and action on behalf of all God's beloved creatures.

We pray...

Rooted and grounded in the Creator's love, entwined in Christ's own life, we hear the song of the Spirit today in trees and grass, in forest and field, and in the tender stretching of our own heart.
