*Go out to all the world  
and tell the Good News*

*Psalm refrain 117*

*Where is the urgency of God's law of love, if not in the cries of our hurting planet?  
How do I tell the world the goodness of others, and the goodness of all?*

*Reflection: Suzanne Moynihan, SSND; Design: Joyelle Proot, SSND*

## MISSION:

We are a people graced by God, who come together as a community of faith, supporting each other as we live and celebrate the Good News of Jesus Christ.

**Parish Mass Schedule: 9:30 AM Sunday; 4:00 PM First Saturday of the Month**

**Go out to all the world and tell the Good News**

– Psalm Refrain 117

We are among those who have heard the proclamation of God’s Word and have believed.

We are among those from every land who, by God’s mercy, have gathered around the table of the Lord to receive his life-giving Body and Blood, a foretaste of the heavenly banquet that will have no end.

We are among those who offer us a strong community of faith, and call us to be selfless and devoted to mission of our church.

Let us raise our voice in thanks and praise and share these joyful proclamations with all.

– Sister Janice

**ALL THINGS NEW:** After Mass could you join the key members of the committee to provide feedback for a questionnaire whose deadline is August 30? The questions are: (1). What are our top priorities for evangelization? and (2) What are our top priorities/opportunities in reaching out to the community?

**FEAST OF ST. LOUIS, FRIDAY, AUGUST 25:**

St. Louis was a child king, whose mother ruled for him until he was twenty-one. He married Marguerite de Provence and they had six boys and five girls. Louis was a devout Catholic. He provided for the poor through almsgiving and even personally served the hungry in his kingdom. King Louis cared for his people, building churches, libraries, hospitals and orphanages. He possessed skills as an arbitrator. Countries at war asked his intervention.

We pray for our city that all may care for each other as Louis had cared for the people in his kingdom.

**COMING SOON: STEWARDSHIP SEASON**

As the end of summer approaches and signs of Fall begin to appear, it seems a natural time to reflect on our daily living of Stewardship. During this season each of us is invited to reflect on our time, talents, and treasure. Where would you like to volunteer your efforts this year? Would you consider being a member of the liturgy or mission advancement committees, a lector or eucharistic minister, a greeter at Mass, clean church, decorate the church, phone or visit parishioners who are homebound? Please let Sister Janice or Sister Gail know of your interest.

**HOMECOMING, SEPTEMBER 18:** A Mass of gratitude for 174 years of blessing is being planned. All will be welcomed to a fabulous breakfast. Let’s get the word out. We want to make this a banner year for selling the most raffle tickets ever! Tickets are on the table in the back of church.

**ENVIRONMENTAL JUSTICE:** Our parish has been working on air quality issues this year. Your signature on this petition will help bring about a reform to this process.

The Department of Natural Resources is advocating a change in Missouri’s Air Permit Process. Businesses in the city are now allowed a permit without a hearing concerning the impact of their business on the environment. The change desired is a six-week advance notice so that all levels of income and ability/disability will have access to these hearings.
