

As we are nearing the end of the Season of Creation  
let us affirm by our life, what Scripture says,  
“God saw all that God made,  
and indeed it was very good.”  
(Genesis 1:31)

**PLEDGE OF COMMITMENT TO PROTECT AND HEAL GOD’S CREATION.**

We have come to renew our covenant with God  
and with one another in Christ Jesus.

We have come to stand together against all threats  
to life

We have come to help protect God’s creation.

We have come to listen to the “music of the universe”  
water flowing over rocks, the wind, trees bending  
in the wind, raindrops pattering the roof.

We have come as followers of Jesus to commit  
ourselves anew to one another and to heal injustice  
and poverty.

We will remember always that God speaks to us  
through the beauty of God’s creation, and we will  
try our best to answer God’s call to reverence all  
that God has created.

We have come to discover some new beauty every  
day in God’s creation: the sunrise and sunset,  
birds, flowers and trees, rainbows in the sky, the  
stars, the many forms of life in the forest.

### MISSION:

**Strive to be a person of integrity, filled with faith, love, patience and gentleness. Run the great race of faith. Take firm hold of the everlasting life to which you are called.** – 1 Timothy 6: 11-16

Doesn't this line from Timothy sum up our goal in life? We are in the constant struggle to act justly, patiently, gently – in a godly manner- in situations that demand all our mental and physical energy. We are faithful to the challenge of striving to lay hold of eternal life, to which all the baptized are called.
